.....
A Discovery of America's Natural Wonders

Dear W&L Alumni, Parents, and Friends,

The country our ancestors dreamed about still resides in America's national parks. We began our exploration of the Parks several years ago with a visit to the Black Hills, Mt. Rushmore, Yellowstone, and the Grand Tetons, then followed it up the next year with an equally popular trip to our Southwest National Parks. We're returning to the Southwest again this year for the wonders of the Grand Canyon, Monument Valley, Bryce Canyon, and Zion National Park. Once again, in this brilliant expanse of mountain, desert, and canyon, you will be able to find breathing space and glimpse the mythic grandeur of our national heritage.

In addition to these and other national treasures, our itinerary will include a 4-wheel drive tour of Monument Valley, a Glen Canyon rafting trip down the Colorado River, and a visit to a traditional Navajo hogan with a Navajo guide. Optional activities include a helicopter excursion over the Grand Canyon and a pre-tour train ride from Denver to Moab about the *Rocky Mountaineer*. Our excellent accommodations include overnight stays in lodges located either within or immediately adjacent to our park destinations.

With the reliable presence of a W&L host and the informed leadership of an expedition guide, along with the comforts of a private motor coach, there is simply no better way to visit our nation's "best idea," America's national parks.

We anticipate this tour will fill quickly, so be certain to reserve your spot today. Please reserve by calling us at (540) 458-8723 or by returning the enclosed reservation form. We look forward to sharing this marvelous adventure with you.

Sincerely,

Robert Fure, Ph.D.
Director of Lifelong Learning

As we embark on this new world of group travel, the health and well-being of our guests, our team, and the communities we visit remain our top priority. For a detailed listing of the enhanced safety measures and hygiene protocols specific to our tours, please visit orbridge.com/wellness.

 Orbridge takes seriously the responsibility to minimize our global environmental impact. Each year we plant 100,000 trees in U.S. State Forests with afforestation needs as an ongoing initiative among our evolving sustainability efforts. Learn more at orbridge.com/going-green.

What Guests Are Saying...

Orbridge provides a good product. This is our second trip. The biggest asset is the quality of the Travel Director and the Expedition Leader they provide. Attention to the traveler is high on their list of what matters. We will travel with Orbridge again.

~Marie & Geoff O., Valley Stream, NY

Our Expedition Leader's knowledge and dedication to detail enhanced the experience. His wisdom and knowledge of geography, flora, fauna, and locations made this trip nearly ideal. Equally impressive were the dealings with Orbridge throughout the build-up to the trip and the excellent material provided to assist with our own personal planning and enjoyment.
