Department of Economics
Huntley Hall 121B
Washington and Lee University
Lexington, VA 24450

ACADEMIC POSITIONS

2013-2017	Visiting Assistant Professor. Washington and Lee University, Lexington, VA.
2012-2013	Visiting Assistant Professor. Lewis & Clark College, Portland, OR.
2011-2012	Visiting Assistant Professor. Whitman College, Walla Walla, WA.
2007-2011	Visiting Assistant Professor. Hamilton College, Clinton, NY.
2006-2007	Visiting Assistant Professor. Vassar College, Poughkeepsie, NY.
2005-2006	Postdoctoral Associate. Cornell University, Ithaca, NY.

EDUCATION

2005	Ph.D. in Economics. Cornell University, Ithaca, NY.
2004	M.A. in Economics. Cornell University, Ithaca, NY.
1998	B.A. in Economics, <i>summa cum laude</i> . Whitman College, Walla Walla, WA.

FIELDS OF CONCENTRATION

Applied Microeconomics
Behavioral Economics
Experimental Economics
Public Economics

COURSES TAUGHT

Introductory Microeconomics
Behavioral Economics
Public Economics
Game Theory
Statistics
Intermediate Microeconomics
Principles of Economics
Topics in Behavioral Economics

ACADEMIC PAPERS

In progress	“Your True Nature Calling’: Identifying Behavioral Typologies and Within-Subject Correlations from Experimental Games” (David Toomey, Jonathan Eastwood), working paper.
In progress	“So You Want Social Decisions to Be (Quasi-)Pareto Improving? A New Mechanism for Doing So in an Exceptionally Low-Cost Manner” (David Toomey, Alex von Hafften), student-faculty research working paper.

- In progress “Does Coherent Arbitrariness Vanish When Choices Are Binary?”
(David Toomey, Shanglun Wang), student-faculty research working paper.
- In progress “No Need to Fight: A New Mechanism for Resolving Disputes”
(David Toomey), working paper.
- Jan 2010 “Efficient Market Design and Public Goods, Part I: Economic Models”
(David Toomey, William Schulze, Robert Thomas, James Thorpe, Daniel Tylavsky, and Richard Schuler), *International Journal of Emerging Electric Power Systems*, 11(1), article 4.
- Jan 2010 “Efficient Market Design and Public Goods, Part II: Theoretical Results”
(David Toomey, William Schulze, Robert Thomas, James Thorpe, Daniel Tylavsky, and Richard Schuler), *International Journal of Emerging Electric Power Systems*, 11(1), article 5.
- May 2005 “Public Goods and Electric Power: A New Look at the Role of Markets”
(David Toomey, William Schulze, Richard Schuler, Robert Thomas, and James Thorpe), mimeo, Cornell University.
- Jan 2005 “Reliability, Electric Power, and Public Versus Private Goods: A New Look at the Role of Markets” (David Toomey, William Schulze, Richard Schuler, Robert Thomas, and James Thorpe), *Proceedings of 38th Annual Hawai’i International Conference on System Sciences*.
- Jun 2004 “Self-Regulating Electricity Markets?” (Nodir Adilov, Thomas Light, Richard Schuler, William Schulze, David Toomey, and Ray Zimmerman), Advanced Workshop in Regulation and Competition, *Rutgers Center for Research in Regulated Industries 17th Annual Western Conference*.
- Jan 2004 “The Effect of Customer Participation in Electricity Markets: An Experimental Analysis of Alternative Market Structures,” (Nodir Adilov, Richard Schuler, William Schulze, and David Toomey), *Proceedings of 37th Annual Hawai’i International Conference on System Sciences*.

CONFERENCES AND SEMINARS

- Nov 2015 Southern Economic Association Annual Conference, Session 2.A.22: Identity, Preferences and Social Norms, “Your True Nature Calling: Identifying Behavioral Typologies and Within-Subject Correlations from Experimental Games”
- Aug 2013 Washington and Lee University Research Presentation, Washington and Lee University, “So You Want Social Decisions to Be (Quasi-)Pareto Improving? A New Mechanism for Doing So in an Exceptionally Low-Cost Manner”
- Dec 2009 Hamilton-Colgate Seminar Series, Hamilton College, “No Need to Fight: A New Mechanism for Resolving Disputes.”

- Nov 2004 Applied Microeconomics Seminar, Cornell University, “Public Goods and Electric Power: A New Look at the Role of Markets.”
- Apr 2004 Energy Demand and Sustainable Development Conference, Cornell University.
- Apr 2003 Consortium for Electric Reliability Technology Solutions Conference, Cornell University.
