Clarification on Financial Charges

Chapter Charges: Dues paid to support chapter activities and national org.

House Corp. Charges: Dues paid to the chapter house corporation to cover costs associated with staff salaries and house upkeep.

W&L Charge: This fee, commonly known as the Greek Fee, is assessed by the University to help underwrite the operating and capital costs of the common/ social spaces that have been created in each of the Greek Houses. As such, since these facilities are available to each member of a Greek organization, the fee is assessed to each member.

Social Charge: Dues collected to help with the recruitment of first year men.

Meal Plans: Most Fraternities require their members to have a meal plan. Each fraternity House Corporation hires their own cook. Meal plan costs vary for each organization.

Living in the Fraternity House: Most Fraternities require sophomores to live in the house. Residents are usually sophomores and a few juniors/seniors. The President of the Fraternity is required to live in the house. Room rates are determined by the University to be comparable to other campus housing.

Note: W&L has a two year live on requirement. Living in Greek Housing counts towards the second year.

IFC Scholarship Information: IFC provides need-based scholarships to fraternity members each year. Scholarships are given to new members going through formal recruitment in the form of renewable scholarships between \$500 and \$1,500 annually for each year they remain an active member in good standing. Applications are due Nov. 20th.
