

WASHINGTON AND LEE UNIVERSITY
Student Work Permission Form

Your unpublished work, submitted at Washington and Lee University and administered by the Washington and Lee University Library ("the Library"), will be made available for use per the terms of this form. By submitting this signed permissions form, you grant a non-exclusive license to the Library to reproduce and distribute your work in hardcopy, electronic format, or such other present or future medium viewed as appropriate.

Printed materials will be preserved in the Library's physical collection. Digitized materials will be preserved in the Library's Institutional Repository or any successor repository and made available online via the Internet.

You may, by placing your initials in the space below, restrict access to your work. If you desire your work to be freely available via the Internet and its search engines, do not initial any of the following.

Please initial any that apply.

_____ The Washington and Lee University Library is granted permission to maintain and provide access to my work in electronic format via the Internet only for members of the Washington and Lee community -- students, faculty, staff, and alumni. If this restriction is not selected, then the work will be freely available via the Internet and its search engines.

_____ The work is to be made available in hardcopy form only.
