Jan Kaufman, Director of Health Promotion

What Do We Need From You?
• Personal responsibility
• Respect for neighbors
• Respect for property
• Set a good example
• Use commons sense

Be Good Stewards of the Environment...
Prevent Problems Before They Occur...
Mission Statement
The Campus Community Coalition (CCC) was founded to promote and facilitate progressive communication, cooperation, and collaboration between students, neighbors, landlords, law enforcement and University administrators in order to address issues in our community.

Who Is In the CCC?
• W&L Students
• Neighbors
• Landlords
• Lexington Police Department
• Rockbridge County Sheriff’s Office
• Lexington City Council
• Rockbridge County Board of Supervisors
• University Administration

Accomplishments of CCC
• Hosts open forums
• Hosts an annual picnic for neighbors and students to meet each other
• Builds positive relationships between local law enforcement and students
• Develops contact list and map of off-campus houses
• Adopt-a-highway
• Educates the student body on respectful living in the community

What Can Students Do To Help The Efforts of the CCC?
• Meet your neighbors - make a special effort to introduce yourself when you move in to foster a relationship.
• Provide your neighbors with your phone #.
• Let your neighbors know in advance when you will be hosting a party.
• Encourage your neighbor to call you first if there are problems, and be responsive to their concerns.
• Respect the noise ordinance - turn off amplified sound at 11:00 pm Sunday - Thursday and midnight on Friday and Saturday.
• Pick up trash after the event - simply putting cups in a trash receptacle is a big step!
• Better yet...get your cups into a trash receptacle.
• When driving follow the speed limit - roads in Rockbridge County are narrow and windy.
• Do not walk with an open bottle or cup - that will get you noticed by the local law enforcement.
• Use proper bathroom facilities.
• Use Traveller for a safe ride home - behavior at stops can draw attention and more importantly can cause harm.
• Interact respectfully with the police.
