The Dean of the College invites proposals from College Faculty for mini-grants for the WINTER TERM 2020. Budgetary constraints require a competitive process. No one faculty member will be funded for more than one mini-grant per term. Mini-grants will be competitive this year and priority will be given to those who have not previously been funded.

**Mini-Grants are for Course Enhancements**

Proposals of up to $750 for enhancements to specific departmental or interdisciplinary program courses to be taught in WINTER TERM 2020 will be considered. Examples of such enhancements include inviting visitors to campus to meet with your class, excursions with students to Washington or Richmond, or purchases of special materials such as gadgets, software, or theater tickets. The number of proposals your department or program may submit depends on the # of full-time faculty (for departments) or the # of courses offered in the winter (for programs). Please budget modestly; the smaller each individual request, the more requests we can grant. Mini-grants can pay for student meals with a visitor, but not for meals for a group of faculty. All mini-grant expenses must be in accord with Business Office guidelines (e.g., limiting mileage reimbursement to $.375 per mile).

**Mini-Grants Submission Deadlines**

Faculty: Using the attached proposal form, submit your Mini-Grant proposal to your dept./program head for endorsement by **Nov. 22, 2019**.

Dept./program heads: Operating under the constraints listed below, submit proposals from your dept./program to Jinky Garrett (vgarrett@wlu.edu) by **Dec. 6, 2019**. If submitting multiple proposals from your dept./program, please rank in order of priority and provide a brief explanation.
