Explanation of Charges

Chapter and National Charges: Dues paid to support chapter activities and national organization (if costs are separated we combine for purposes of this document).

House Corp Charges: Dues paid to the chapter house corporation to cover costs associated with staff salaries and house upkeep.

W&L Charges: This fee, commonly known as the 'Greek Fee', is assessed by the University to help underwrite the operating and capital costs of the common/social spaces that have been created in each of the Greek houses. Since these facilities are available to each member of a Greek organization, the fee is assessed to all members.

Social Charges: Dues collected to help with the recruitment of first-year men. Some chapters include social fees in their chapter charges.

Other Charges: This fee is typically an additional cost assessed by the chapter or the house corporation to cover necessary financials, W&L cannot always speak on behalf of this cost.

Food Charges: Most fraternities require their members to have a fraternity meal plan. Each fraternity House Corporation hires their own cook.

Room Rates: Most fraternities require sophomores to live in the house. Residents are usually sophomores and a few juniors/seniors. The chapter president is required to live in the house. Room rates are determined by the University to be comparable to other campus housing.

Note: W&L has a three year live on requirement. Living in Greek Housing counts towards this requirement.
