

III. RESUME (FOR VISITING STUDENTS ONLY)

Please provide us with a copy of your résumé.

IV. LETTER OF GOOD STANDING FROM CURRENT LAW SCHOOL

Please provide a letter of good standing from your current institution. The letter must confirm that you are approved to study at W&L Law by your current institution.

V. CHARACTER AND FITNESS

In addition to a bar examination, there are character, fitness, and other qualifications for admission to the bar in every U.S. jurisdiction. All applicants are encouraged to determine the requirements for any jurisdiction in which they intend to seek admission by contacting the jurisdiction. Though Washington and Lee University is prohibited by Virginia statute from requiring disclosure of information concerning arrests or charges that have been officially expunged (See Virginia Code 19.2-392.4), state bar examiners may require that bar applicants disclose such information and closely compare disclosures on law school applications with disclosures on applications for bar admission. We therefore encourage full, voluntary disclosure.

Each incident or circumstance that requires an affirmative answer of any of the following Character and Fitness questions must be described in detail in an attachment. Disclosure pertaining to a speeding ticket or other moving violation must include the date of the incident; the violation with which you were charged; any reduction in the charge (whether at a court hearing, as a result of attendance at an instructional class, or by other means); and the fine or other penalty imposed. Disclosure pertaining to an arrest, prosecution, or an agreement or arrangement must include (1) a detailed description of the incident, event, and/or circumstances leading to such arrest, prosecution or charge, (2) the original charge(s), and (3) the disposition of the matter.
