

REPORT

Broken links report

SITE
<http://www.wlu.edu/>

GROUP
Link Checker

This report offers an overall status of broken links.

Broken links directly affect your end users. Even if a broken link is external, when it is your site that contains the broken link, it reflects badly on you.

Pages with broken links

All pages where broken links have been found - Broken links detrimentally affect the user experience for your visitors.

| Page title | Broken links | Page level |
