Explanation of Charges
<p>Chapter and National Charges: Dues paid to support chapter activities and national organization (if costs are separated we combine for purposes of this document).</p>
<p>House Corp Charges: Dues paid to the chapter house corporation to cover costs associated with staff salaries and house upkeep.</p>
<p>W&L Charges: This fee, commonly known as the 'Greek Fee', is assessed by the University to help underwrite the operating and capital costs of the common/social spaces that have been created in each of the Greek houses. Since these facilities are available to each member of a Greek organization, the fee is assessed to each member.</p>
<p>Other Charges: This fee is typically an additional cost assessed by the chapter or the house corporation to cover necessary financials, W&L cannot always speak on behalf of this cost.</p>
<p>Food: All sorority members are required to purchase at least a minimum meal plan including 5 lunches and 1 dinner. Sorority house residents are required to purchase a full meal plan.</p>
<p>Room Rate: Each sorority house has 20 Beds (mostly doubles, a few singles). Residents are usually sophomores or juniors. The chapter president and some other officers are required to live in the house. Room rates are determined by the University to be comparable to other campus housing.</p> <p><i>Note: W&L has a three year live on requirement. Living in Greek Housing counts towards this requirement.</i></p>
